Our Mission

To ensure all children have an opportunity to develop all their potential: in sports, in school, in culture and in recreation.

Our Vision

To build a better community, one kid at a time. Most of all, we work to put smiles on these children's faces and give them pride in what they do. This confidence and support is what will motivate them to achieve in the future.

Our Goal

To connect Saskatoon's businesses, schools and the community to give less fortunate children the same opportunities, education, dignity, hope and role models, that every child deserves.

Your Sponsorship Matters!

Your support directly impacts thousands of children each year. Proceeds raised fund the programs and services Care & Share organizes throughout the year. These programs include:

Holiday Lunch Program – Serving over 6,000 Turkey meals in the weeks leading up to Christmas.

Dignity Fund – Allows School coordinators to purchase any daily living needs for their students, such as hygiene products, shoes, and winter clothing to name a few.

Sports programs – The soccer, bowling and yoga programs allow the children to participate in team and individual sports which they may not otherwise be able to play.

School Supply Program – Ensures children have the necessary school supplies to succeed.

Bike Safety program – Provide a trailer full of bikes for classrooms to use for school trips around Saskatoon.

Enhanced Literacy – One-on-one reading with children in four schools.

Babysitter program – Provides the opportunity for 225 youth to become certified babysitters.
